## DR. GEORGE V. IRONS

The 1974 ENTRE NOUS is dedicated to Dr. George Vernon Irons, a devoted friend of Samford students through the years. The following is a proclamation by students honoring Dr. Irons for his friendship:

Whereas, Dr. George V. Irons has distinguished himself as a leader and educator of the highest Christian example for over forty years at Samford University; and

Whereas, during those years he has capably served Samford University and its students as Distinguished Professor of History, Head of the History Department, and Chairman of the Division of Social Sciences; and

Whereas, under his dedicated leadership the History Department and Division of Social Sciences experienced unprecedented growth and prosperity which included increases in the number of students and faculty; and

Whereas, Dr. Irons has long coordinated Samford University's presentation to the Freedoms Foundation resulting in fourteen George Washington Honor Medals for Americanism, as well as one presented to him for his patriotic work; and

Whereas, Dr. Irons is an active member and deacon of the Southside Baptist Church, serving in many religious activities too numerous to name; and

Whereas, Dr. Irons has served his nation well and bravely as a Colonel during the Second World War; and

Whereas, scores of students have pointed to him as the primary stimulus for continuing their educational studies at the undergraduate, graduate, and post graduate levels, revealing the overwhelming impact which this warm and personal man has had on so many young people through the years;

Therefore Be It Resolved, by students of Samford University and others of his friends, as well, that we express to him our grateful recognition for his achievements, our warmest affection, appreciation, and commendation for his highly distinguished and most effective leadership in all walks of life, and our love for him as a man and our friend.

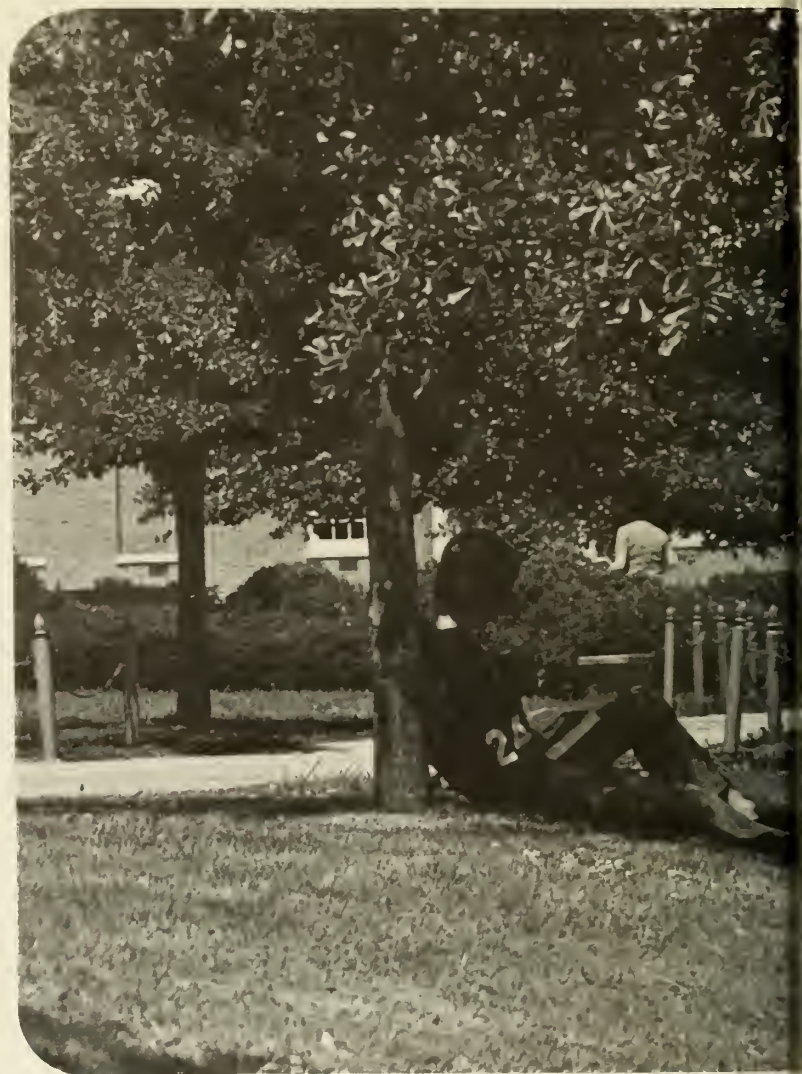

On This 10th Day of April  
In the Year of Our Lord 1974  
By Signature of Students,  
Samford University,  
Birmingham, Alabama

Now God comes to thee, not as in the dawning of the day, not as in the bud of the spring, but as the sun at noon to illustrate all shadows, as the sheaves in harvest to fill all penuries . . .

All occasions invite His mercies, and all times are His seasons.

John Donne
